## Victoria Dock Fun Day 2018

Saturday 30th June 2018  
12.00 noon - 5.00 pm  
Victoria Park, South Bridge Road  
Victoria Dock  
£5 per unlimited ride wristband  
Victoria Dock

Charity No: 1051351

## Humber Frontage Work.

Following a detailed review of the existing tidal flood defences along the Humber, funding was secured in Dec 2017 to deliver a £42 million flood defence scheme to upgrade this stretch of flood defences. This is in order to better protect homes and businesses that are at risk of flooding from the Humber Estuary. Our review has concluded that improved flood defences are required in approximately 7km of the 19km study area, at 9 locations along the frontage. The scheme will reduce the risk of flooding to 113,000 properties.

Why is this work necessary? In 2008, our Humber Flood Risk Management Strategy identified that in the near future some of the tidal flood defences around the city of Hull could require further investigation into their condition and the level of protection they offer. This work is to upgrade the stretch of tidal defences to ensure that they provide adequate flood protection. Hull Frontage Improvement scheme will start in late summer 2018 and be complete by the end of 2020.

Find out more For more information about the Humber: Hull Frontage Improvements scheme or to be added to our mailing list please email, [humberhullfrontage@environment-agency.gov.uk](mailto:humberhullfrontage@environment-agency.gov.uk) A member of the EA team will attend our meeting on 18<sup>th</sup> June 2018

## RESIDENT ASSOCIATION MEETINGS

Future meetings will all be at 6.30pm on:

Monday 18<sup>th</sup> June,

Monday 17<sup>th</sup> September, Monday 17<sup>th</sup> December

in the Village Hall, South Bridge Road

**All residents of Victoria Dock are welcome  
Come, listen and have your say.**

The No1 agent on Rightmove  
for Victoria Dock

property

**Buyers waiting, FREE marketing appraisal.**  
**Co-Sponsor of Victoria Dock Fun Day 2018**

## Councillors Comment

### Slipway pond:

Local councillors Diana Hatcher, Linda Chambers and Adam Williams are pressing the Council's Parks Department for a long-term maintenance plan for the duck pond, behind the Winding House on Plimsoll Way. Over the years, the pumping system for the water has broken numerous times - and the reeds are often badly overgrown.

### Promenade fishing hooks

Our Councillors, Diana, Linda and Adam also followed up concerns about litter, dog mess and discarded fishing hooks on Victoria Dock promenade. They've arranged for new signage to be put up, encouraging people to take any litter home with them, or use the litter bins. Angling clubs across the city have also agreed to make their members aware of the issues caused with discarded fishing hooks in the area.

## Parking issues

A number of residents have been in touch with the councillors about specific parking issues on specific streets on the Dock. Adam, Diana and Linda are speaking to the Highways Department to get them to review some of the road markings. If you have any specific parking gripes that you think need attention get in touch with them at: [drypool.libdems@gmail.com](mailto:drypool.libdems@gmail.com)

## CHURCH NEWS

On Sunday 15th July 2018 at 10.30am in the Village Hall, the Bishop of Hull, Alison White, is coming to our morning service to welcome Rev Martyn Westby as the Vicar of Victoria Dock Church.

Martyn has been leading the Church since September 2017 but this service is to make the role official. It's a big occasion for us as a church as we have been without a Vicar for a number of years and we look forward to working with Martyn and, together, serving our local community.

We would love you to come and join us to celebrate and share coffee and cake after the service - and to share ideas of how we can best serve Victoria Dock.

## Appeal for Volunteers

**Also, we require volunteers to help on our Family Fun Day. This involves helping with putting up marquees, taking equipment out to the Park, selling wristbands and raffle tickets, cleaning up the Park after the event. You will be provided with our thanks, a food & drink voucher and a hi-vis vest for the day!**

## Siemens

The Humber has become “the envy of the world” as offshore wind powers a revolution in affordable green energy generation, a major industry conference will hear. Siemens Gamesa Renewable Energy is the headline Diamond Sponsor of the Offshore Wind Connections conference, organised by Team Humber Marine Alliance, which will draw leading industry figures from the UK and abroad.

Preparatory work has now begun to manufacture even larger 81.5m blades, for Siemens Gamesa’s next generation 8MW turbines. Production will be in time to supply Ørsted’s huge Hornsea 2 offshore wind farm, which will be the latest to raise the bar as the world’s largest. “It’s testament to what has been achieved in Hull that, so soon after the site has been established, we have confidence that it will be the location to build even bigger blades,” said Mr Thompson. Tower construction begins later this year.

## Good Afternoon,

I am aware of the schedule of resident's meetings but I am unavailable usually to attend these.

My concern that I would like to have raise, which I am sure is not going to be the first time it has been mentioned, is regarding the duck pond at Ha'penny Bridge Way. For what should be a very pleasant and attractive area feature, it is an absolute disgrace. Is there anyway the committee can organise some form of crowd funding (akin to the Christmas Tree donation appeal) where residents in the immediate

area are asked to donate either time or money to have the complete pond fully cleared out and treated to allow its natural residents (ducks and birds) to thrive there?

I have seen this area over the past 12 months go drastically downhill in terms of safety and cleanliness. Has this been raised previously? What is the outcome? What can the residents do?

L. Irwin Plimsoll Way.

## Family Fun Day Sponsorship.

As you know it costs a lot of money to put on this annual event for the local community and without our current and future sponsors we would struggle to conduct the event. Thankfully it continues to grow with record crowds enjoying this colourful family day out.

Thanks again to Sponsors:

Associated British Ports, Riverside Property, SJS Flooring, Jacob Associates, McAusland Turner, Marine Surveying, Victoria Dock Premier Store, Integra Modular Buildings Ltd, Victoria City Chinese, Riverside Hair, Goldcrest Public House, Phillip Anthony Photography, Asda, Morrisons, Sainsburys, Tesco, Hotshots, The Avenues Will Writing Co (A full list will be advertised on the day and on our website in due course). [www.vdvh.co.uk](http://www.vdvh.co.uk)

Should you wish to sponsor, in the first instance contact Mr Chris Hall on [chris@cmhall.co.uk](mailto:chris@cmhall.co.uk) or The Village Hall/Community Centre on 01482 221854

## In Memory

Many people on Victoria Dock will remember Colin McNicol with greatest respect. He helped get the Residents Association started and they worked to get the Village Hall built. Colin was involved with the School and was Chair of Governors for some time.

Our sympathy goes out to Lesley and her family at this time.
